Report For Ernest Hemingway

Moon

Ernest's Moon in Mary Welsh's 6th House

Your feelings may inspire in Mary Welsh more of a sense of order and duty than you might imagine or want. On the other hand, you're a good encouragement to make improvements in health and well-being -- playing nurse or doctor may be your role.

Ernest's Moon Trine Mary Welsh's Moon

Although you may both have different feelings about any situation you encounter, you'll pretty much agree on a gut level and your emotional reactions will blend and support each other. You intuit what is in common underneath it all.

Ernest's Moon Square Mary Welsh's Saturn

You may find that your freely expressed emotions run afoul of Mary Welsh's inhibitions and prohibitions. In order to avoid put-downs you may be wise to hold your tongue and seem to abide by Mary Welsh's artificial rules of right and wrong.

Sun

Ernest's Sun in Mary Welsh's 1st House

Your inner drive can come so close to Mary Welsh's self-image that you may find yourself in competition. On the other hand, if you are willing to let go of ego, you can both hand off operations and cover the inner and outer sides of life as one.

Ernest's Sun Trine Mary Welsh's Midheaven

Anything you say about Mary Welsh can and likely will be seen as favorable. Even passing praise is looked upon as solid support and background underpinnings for Mary Welsh's reputation. It's not something to strive for, as it's honest and comes naturally.

Mercury

Ernest's Mercury in Mary Welsh's 2nd House

What you have to say about Mary Welsh's bank account may be right on the mark, but don't get roped in as a financial advisor unless you're sure it won't leave you in the red. Address moral issues instead, if you want to keep your distance.

Venus

Ernest's Venus in Mary Welsh's 12th House

It may be hard to let Mary Welsh know your wishes in a reassuring, unthreatening way. This is also an aspect of love and desire behind the scenes -- take that any way you want, just don't tell it to the newspapers.

Ernest's Venus Opposition Mary Welsh's Mercury

If it seems that Mary Welsh says things just to put you off, get over it and get on with it. It's not intentional, just off on another trip that may not be the one you're looking for at the moment. Try more non-verbal communication to touch base.

Mars

Ernest's Mars in Mary Welsh's 3rd House

You can be a welcome jolt in the brain for Mary Welsh, energizing the gray matter and pushing the conversation along to evermore interesting levels. The trick is to motivate thought without breeding argument.

Ernest's Mars Trine Mary Welsh's Mercury

Mary Welsh's plans manifest in your actions easily, and your work encourages Mary Welsh's organizational efforts just enough to be helpful without being pushy. Neither is looking for credit, as it all comes naturally without much effort or purposeful investment.

Ernest's Mars Sextile Mary Welsh's Ascendant

Cooperative physical efforts, from outdoor work to dancing, can go easily and naturally and probably don't require much thought or planning. Nor do they take up much priority, either, and are natural resources to draw on for other things.

Jupiter

Ernest's Jupiter in Mary Welsh's 4th House

Enlarging and renovating Mary Welsh's home environment can be a particular source of your appeal. Your unique and innovative eye may be just the thing that's needed for a fresh start that will be much appreciated. Be the one that says yes to the new.

Ernest's Jupiter Sextile Mary Welsh's Moon

You encourage in each other both positive feelings and personal growth, as feelings develop in an easy way, just fast enough to enjoy, not so quick as to overwhelm. It's not something you even notice that much, except when you look back on it later.

Ernest's Jupiter Trine Mary Welsh's Jupiter

Together you have a good sense of where you fit into larger scale developments and can give each other good free advice on where you've been and where you might go next. Development without competition can make for good partnership.

Saturn

Ernest's Saturn in Mary Welsh's 6th House

Where Mary Welsh's routine has become needlessly repetitive, reduplicative, and burdensome, you can help get rid of unnecessary tasks and thus ease the burden. On the other hand, you can be a slave driver by being overcritical and insistent. Observe, and know the difference.

Ernest's Saturn Sextile Mary Welsh's Venus

You may not want to satisfy every need and whim Mary Welsh has, but you needn't go out of your way to OK them, either. When you are always there, you'll find less is asked of you than when your backing is uncertain, so be there. In this case, that's easy.

Uranus

Ernest's Uranus in Mary Welsh's 5th House

When Mary Welsh loses contact with the Muse, you can jump right in and do it yourself. Your new and sometimes unorthodox approach to creativity and fun, on either side of the bedroom door, may be just what's needed to re-rev the engines.

Neptune

Ernest's Neptune in Mary Welsh's 12th House

Some of your fondest dreams may turn out to be Mary Welsh's nightmares (we all have them, they're all different), so it's a good idea to feel out the situation before jumping in with both feet. You can impose without meaning to, so don't.

Pluto

Ernest's Pluto in Mary Welsh's 11th House

Although you may find it possible to have control or influence over Mary Welsh through his close inner circle, it probably would be inadvisable in the long run. If you are allowed in, remember that you are a junior member and don't try to throw your weight around.

Midheaven

Ernest's Midheaven Square Mary Welsh's Moon

However well things may be going personally, it will probably be wise to steer Mary Welsh clear of your professional life, as Mary Welsh's feelings there will tend to get things tangled up and not likely for the better for either of you. Intimacy yes, publicity no.

Ernest's Midheaven Square Mary Welsh's Jupiter

Schemes that Mary Welsh cooks up on your behalf may be intended to make you famous, but also may be more complicated than they seem and more trouble than they're worth. If it doesn't yield success quickly, move on to something else in this area.

Ernest's Midheaven Trine Mary Welsh's Saturn

Your professional reputation can be a source of security for Mary Welsh, and for that reason you'll find support and reinforcement in areas that help stabilize your status. When you want to know the best fallback line, Mary Welsh's the one to consult.

Ernest's Midheaven Sextile Mary Welsh's Midheaven

A good word about Mary Welsh is likely to spill over into a good word about you, and you'll likely find less competition with each other in the marketplace than you might otherwise expect. Mutual benefits become such because the rest of the world believes it.

Ascendant

Ernest's Ascendant Conjunction Mary Welsh's Moon

You may find that Mary Welsh reacts to every move you make, which could make you a great skating team, vocal duo, or anything else that requires intuitive close formation. In fact, it's separating your actions that might prove more difficult.

Ernest's Ascendant Opposition Mary Welsh's Jupiter

Keeping each other's company may have a way of making you both go overboard and bite off more than you can chew in the way of new approaches, projects, and ideas. When overwhelmed, cut down to developing just a few, leave the rest for later.
